Victorian Bushfire Appeal

Pimpama 15th Feb 2009

164 Riders

Great show of support from the cycle club community today as 164 riders turned up to do their bit for the Bushfire appeal and race the Goldstars' Pimpama road course.

The carpark at LeMans was packed to the gunnels with Brissos from Logan, Balmoral, Victor Broncos and Wynnum Redlands who, together with the Coast locals, raced with no prospect of winning any prizemoney to show their support for those Australians who have become refugees in their own country. Race entry was free after a donation to the Red Cross was made and documented.

In all a total of \$2,860 was donated from those who attended which is fantastic.

Those who documented their donation on the Red Cross Form C should receive their receipts in the next 6 weeks, as administration of donations Australia wide will be overworked as you all can appreciate.

Thank you to all you guys and girls who turned up.

Great turnout.
