After the Saturday events were washed out, and the Sunday program looked in danger of also being cancelled, the rain cleared long enough for the Road Race to be staged and for an Epilogue in the form of a one lap time trial of the Nerang Circuit. The Under 9 to Under 13 riders completed a fast lap of the 600 metre circuit while the Under 15 to 17 riders completed a lap of the 1.4km circuit over the notorious Nerang hill. The fastest time for the big lap went to Under 15 rider, Jesse Kerrison, who bested the fastest U17 time by almost 6".

The road race saw some spirited riding in all divisions. Daniel Rae, who was not expected to complete the race due to illness, won the final sprint from Balmoral young gun, Mitchell Gale, before having to get off his bike on the warm down lap unable to breath. Emily Roper simply rode away from all the other Under 15 girls from the first lap eventually lapping the field on the big circuit to win decisively.

*Great showing from the Balmoral club*

*Jack Inwood made the trip from Port Maquarie*

The post-race prize draw saw thousands of dollars worth of prizes given away. Every competitor's name was drawn and each won a prize ranging from socks and caps to entire outfits, tool boxes, floor pumps and cycle computers.

*Heaps of prizes on offer*

*Jesse with th DBDF Trophy*

Jesse Kerrison was awarded the Daniel Bennett Development Fund Perpetual trophy for his outstanding efforts over the weekend. Jesse rode the fastest TT time out of all the divisions as an U/15. Jesse is off to the State Titles next weekend as is Emily Roper. Both Jesse and Emily were presented with cheques from the Daniel Bennett Development Fund to assist with their expenses.

And, as everyone finally left for the day, it started to rain.
